ABOUT US

Franklin Grand Isle Bookmobile promotes a lifelong love of learning and builds community connections by providing greater access to books, information, activities, and fun.

FGI Bookmobile is a mobile library bringing books and programming to childcare centers, families, and communities throughout Franklin and Grand Isle Counties. The bookmobile has been on the road since 2001. For many years the bookmobile travelled through the region bringing books and stories to members of the community who were unable to get to their town library. Then at the end of the 2018/2019 school year Franklin Grand Isle Bookmobile needed to find a new home due to the school consolidation. Vermont Adult Learning agreed to be our fiscal sponsor until we received our tax exempt status in early 2022.

WHAT WE DO

We bring books and stories, educational activities and fun to our patrons. Many of the people we see include educators, families, and adults who cannot go to their library. We work with afterschool programs, libraries, and summer camps throughout the year. On average we travel 300+ miles a month throughout the north-western part of Vermont.

We are often at community events including but not limited to Spooky Saturday in St. Albans, Swanton Village Christmas Celebration, and host well known annual events such as Big Rig Day and the Book It! 5k.

We also offer school break book bags and activities to families throughout Franklin and Grand Isle counties. These keep youth engaged when they are not in school.
